Agile Team Charter

1. Team Purpose & Vision

Why do we exist as a team?

Our goal is to create a digital platform that links student food vendors and purchasers in CPUT housing and on campus.

Team mission:
To develop an organised, online marketplace for students to address the problem of selling of food informally in residences and limited access to reasonably priced food.

Success definition:

- Positive feedback from students and residence managers
- Increased access to affordable meals on campus
- Student sellers generating consistent extra income
- High number of active student users (buyers and sellers)

Product / Service:
A digital platform (website or mobile app) where students can:

- List and sell homemade meals
- Browse and order food
- Arrange pickups within residences or campus

---

2. Team Members & Roles

Who is on the team and how do we contribute?

Name	Role	Key Responsibilities
Lisakhanya Ndwandwa	Designer	creates UI/UX and makes sure the platform is aesthetically pleasing and easy to use.
Tshepang George Lechaba	Agile Lead	removes obstacles, promotes Agile procedures, and guarantees team productivity

Luthando Ndlaku	Developer	creates platform features and oversees content and documentation.
Bradley Maelane	Product Owner	creates platform features and manages documentation and content.
Junior Tutu	Tester/Presenter	evaluates system performance and updates stakeholders on developments.

---

3. Ways of Working

How we work together day to day

3.1 Agile Framework

- Kanban

3.2 Ceremonies

Ceremony	Frequency	Purpose
Daily Stand-up	Daily (15 mins)	Catch up on what everyone's doing and flag anything blocking the progress.
Planning	Weekly	Decide what tasks to tackle and figure out priorities for the week.
Review / Demo	End of each meeting	Showcase finished work and get feedback from the team and stakeholders.
Retrospective	End of each meeting	Look back at how things went and find ways to work better together.

---

4. Working Agreements

Rules we agree to follow as a team

- We show up prepared and on time
- We make decisions as a team
- We respect deadlines
- We give constructive feedback
- We have honest communication and we are respectable towards each other.

.

5. Communication

How and when we communicate

Primary channels:

1. WhatsApp (quick communication)
2. Microsoft Teams (meetings & collaboration)
3. Outlook (formal communication)

Response-time expectations:

- Within 1–2 hours during working hours
- For urgent issues we respond differently

Remote / hybrid norms:

- Attend scheduled meetings
- Keep communication active
- Use clear updates when unavailable

---

6. Decision-Making

How decisions are made

- Consensus
- Team vote

Escalation path if we're stuck:

- Discuss as a team
- Escalating to the Agile Lead

---

7. Definition of Done (DoD)

When is work really “done”?

- The feature is finished.
- The design is finished and accepted.
- Testing is finished and successful.
- The documentation has been updated.
- The feature is prepared for use on the platform when the product owner gives their approval.

---

8. Core Values & Behaviours

How we treat each other

- Respect
- Transparency
- Accountability
- Trust
- Learning mindset

---

9. Risks & Constraints

What could impact our success?

Known risks:

- Students do not accept the platform
- Limitations imposed by accommodation management
- Low seller participation

Dependencies:

- Participation of students
- Device and internet access
- Residence managers' approval or assistance

Constraints (time, budget, tools, skills):

- Budget constraints
- Time restraints (workload at school)
- Limitations of technical expertise

---

10. Review & Improvement

Keeping the charter alive

- Charter reviewed every:
